Dear Sirs:

Thank you for sending us free review copies of your publications. However, we have not received the following books, which were requested in previous letters:

Recent advances in applied and theoretical mathematics. World Sci. Eng. Soc. Press, Athens, 2001. [ISBN: 960-8052-21-1]

We may have already inquired about books on this list. If a title has not yet been published, we would appreciate information regarding its likely publication date. If review copies are no longer available, please let us know so that we may cease our inquiries.

In the interest of timely information for the mathematical community, we would appreciate receiving these books, or learning more about their status, as soon as possible.

Thank you for your consideration.

Sincerely,

Paula Shanks
Acquisitions Librarian
